

PHC

The image features the letters 'PHC' in a bold, black, sans-serif font. The letters are positioned above a solid black, horizontally-oriented oval shadow that tapers at both ends, creating a three-dimensional effect as if the letters are floating or resting on a surface.

**We will be the
"Global hub in Powertrain parts"
by cultivating experts and leading
technological development based
on sound corporate culture.**

Spreading Human-Respect Value

VPH is trying its best to develop and spread the idea that human is the core of world and priceless itself.

We believe that cultivating experts with creativity based on sound mindset is more valuable investment for it's the basis of state and corporate development as well.

World Class

VPH has been establishing the exemplary relationships with a global auto parts maker, Valeo, as joint venture company for over 20 years. We will be the global leader in Powertrain parts by continuous technology innovation, discovering and developing futuristic growth engine .

For The Customer's Best

VPH's managerial board and Labor Union are closely cooperating to make our global system and perfect quality impress our customers. In addition, all employees are actively participating in the socially responsible activities with devoting mind to be reliable members of community.
